Schedule for the 2026 technical training course on basic technologies required for Arabidopsis research

	1/27 （Wed.）	1/28 （Thu.）	
			９：００
１０：２０	Registration		
１０：３０	Orientation	Practical training : 6.Transformation of Arabidopsis 7.Crossing of Arabidopsis	
１１：００	About RIKEN BRC		
１１：３０	BRC Arabidopsis resources and how to use them		
１２：００	Lunch	Lunch	１２：００
１３：００	Practical Training: 1.Sowing on selective media 2.Sowing in the soil 3.Transfer from selective media to the soil 4.Harvesting 5.Preparation for transformation.	Practical training : 8. hydroponic cultivation of Arabidopsis	１３：００
		Certificate of Completion	１４：３０
			１５：００
１７：００	Question-and-answer
